**DETAILED ACTION**

1. This application is in condition for allowance except for the following formal matters:

The abstract of the disclosure is objected to because abstract can't be more than 150 words. Correction is required. See MPEP § 608.01(b).

The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they do not include the following reference sign(s) mentioned in the description: system 10 is not labeled on figure 1. A proposed drawing correction or corrected drawings are required in reply to the Office action to avoid abandonment of the application. The objection to the drawings will not be held in abeyance.

The disclosure is objected to because of the following informalities:

The step "5015" should be "515" on page 38, line 10.

Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

***Allowable Subject Matter***

2. Claims 1-48 are allowed.

Art Unit: 2665

3. The following is an examiner's statement of reasons for allowance: The prior art fails to disclose the following steps of determining a network performance:

measuring a measured network performance metric between a first network element pair, wherein the first network element pair comprising a first network element and a second network element of one of a network element pairs in a second set of network element pairs; and

computing a computed network performance metric between a second network element pair using the measured network performance metric, wherein the second network element pair comprises the first network element and the second network element of the network element pair in the first set of network element pairs.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
